MARITIME
ELECTRIC
A FORTIS COMPANY

Sustainable
Electricity
Leader

Maritime Electric Company, Limited is seeking candidates for the position of:

Supervisor, Financial Reporting

Reporting to the Manager, Financial Reporting, the Supervisor Financial Reporting is a senior member of the Company's finance team working in a dynamic and challenging environment.

Responsibilities:

- In this senior financial position, you will have primary responsibility for the management of the finance team and the financial reporting process, demonstrating the ability to work at a high level with the flexibility to manage multiple tasks while meeting deadlines. You will be responsible for supervision of financial reporting systems, billing systems and procurement systems.
- Preparation of financial results with comparisons to budgets and forecasts, and collaboration with the budgeting department.
- Maintain a system of internal control to ensure financial information is complete and accurate through development and monitoring of Accounting Standards and Corporate Policies and Procedures, and assist in interim and annual external financial audit management.
- Overseeing daily departmental operations including coordinating activities, providing leadership and support to staff in the department.

Qualifications:

- As the successful candidate, you will have strong leadership, analytical, interpersonal and organizational skills with the ability to work with people at all levels of the organization. You will have the ability to use software financial systems and spreadsheet applications at an advanced level and a strong in-depth knowledge of finance and accounting.
- The position requires a Chartered Professional Accounting designation with five plus year's post-designated experience. Knowledge of the utility industry and the cost of service regulatory environment would be an asset.

This position offers a competitive and comprehensive compensation and benefits package. The pay range for this position is between \$85,000 and \$105,000 per annum.

Interested candidates are invited to forward a resume to jobposting@maritimeelectric.com by March 7, 2023.

Since 1918, Maritime Electric has delivered safe, reliable electricity to customers throughout Prince Edward Island. Maritime Electric values diversity and is an equal opportunity employer.

Only those candidates selected for an interview will be contacted.
